The opinion of the Auditor & Accounting Officer is extracted below:--

No.SD.Accts. 1756/28-9-46.

The scales of pay of Rural Sales Depot Establishment may be revised as proposed by the Director. As there are 537 Rural Sales Depots in the State as on 1-7-46, the proposed revision will involve an extra cost of Rs.2,685 and Rs.2,148 per mensem respectively in the case of the Clerks and measurers-cum-attenders.

As regards depots where the number of cards exceeds 750, exact information is not available as to the number of such depots to calculate the extra cost involved.

The remarks of the Auditor and Accounting officer re: proposals (i) and (ii) in para 2 of notes above have not been furnished. The total expenditure involved in the Director's proposals (para 2) is not known. The extra cost on account of proposal (iii) alone will be Rs. 2685 + 2148 = Rs. 4833/- p.m. or Rs. 19,332/- for the whole period of four months as proposed by the D.F.S. This is a Council matter - Refer Para 5.

Besides these points, there

There is another. It is proposed to give a Conveyance allowance of Rs 35/- p.m. to the Officer of the status of a Dy. Amildar to be appointed to assist Food Assistants in Rural Rationing work. From the first para of the D.F.S's letter dated 2.9.46 it would appear as though ~~these~~ these Dy. Amildars will not only have to assist the Food Depts in regard to making supplies to Rural Depots but also to supervise the unfamiliar grains that are being received. This will mean that these Officers will have to move about in all the Taluks of the District in which case a Conveyance allowance will not be appropriate and they will have to be paid their actual T.A. as per M.S.R.

11) If approved the file will again be sent back to the D.F.S. for Clarifying all these matters and send up final proposals.

15) Points (i) and (ii) deal only with Continuance of establishment on Sanctioned Scales pay or Sanction of posts on Sanctioned Rates of pay, the Conveyance allowance proposed to the Dy. The existing establishment for Rural Rationing may be continued till the end of December 1946. I do not know whether it is necessary to give an officer of the status of a Deputy Amildar on a pay of Rs. 100/- to each District to assist the Food Assistants. There are already Food Inspectors attached to the District Offices and they are meant for this work. In view of the improvement in the seasonal conditions, I think these appointments may be unnecessary at this stage. Similarly, there is no need to revise the sdale of pay of the staff of Rural Sales Depots. These depots were established two years ago on the present pay and no difficulty in regard to recruitment has so far been reported.

SIR,

Subject :- Staff for Rural Rationing Work.

I have the honour to state that with the introduction of Rural Rationing work in all the Districts, the work in the Deputy Commissioner's Office has increased greatly. It has been represented by several Deputy Commissioners as well as the Special Officer for Rural Rationing, that the Food Assistants to the Deputy Commissioners of Districts require assistance for looking after the proper supply of food grains to the numerous depots in the districts. Large stocks of foodgrains, and some of which are unfamiliar to our people, are being received as imports and have to be popularised. In view of the adverse seasonal conditions that prevailed in the several districts and the consequent failure of crops, the rural areas have to be carefully looked after for the next four months.

2). The question was also examined in the meeting of Deputy Commissioners held on 27-8-1946, and it was unanimously resolved that

i) the existing Rural Rationing staff sanctioned in G.O.No.SD. 800-11/A.219-45-5 dated the 29th July, 1946 might be continued;

ii) an Officer of the status of a Deputy Amildar may be appointed in each District to assist the Food Assistant in Rural Rationing work, and

iii) the minimum pay of a depot clerk may be raised from Rs. 25/- to Rs.30/- and that of the peon to 12/- and that where the cards assigned to any depot exceeds 750, an additional attender on Rs. 20/- might be appointed with the previous approval of the Director of Food Supplies.

3). It was represented that the present minimum pay of Rs.25/-

, p.t.o.

Rs. 25/- per mensem to the clerk and Rs. 8/- per mensem to the measurer cum attender fixed in G.O. No.SD. 3473-86/A.147-43-1 dated 25-11-1943, was too low in view of present condition and it was extremely difficult to get the right type of men for the two places where better and more attractive pay is paid elsewhere and the cost of living is very high.

4). In these circumstances, I request you kindly to obtain the sanction of Government to the following proposals.

1). Continuance of the entire establishment for Rural Rationing work sanctioned in G.O.No. SD.-800-11/A.219-45-15 dated 29th July, 1946 up to the end of December, 1946.

11). Appointment of Officer of the Status of a Deputy Amildar in each District on a pay of Rs. 100/- and conveyance allowance of Rs. 35/- per mensem to assist the Food Assistants to Deputy Commissioners of Districts regarding Rural Rationing Work.

111). Revising the scales of pay of Rural Sales Depot establishment as under.-

	Existing.	Proposed.
Clerk.	Rs. 25/- p.m.	Rs. 30/- p.m.
Measurer cum Attender.	" 8/- "	" 12/- "

lv). Empowering the Director of Food Supplies to sanction the appointment of an additional attender to such rural depots, where the number of cards exceeds 750.

5). I request the favour of early orders of Government in the matter.

I have the honour to be
Sir,
Your most obedient Servant,

Director of Food Supplies.
